

YEAR 1-6 Visual Arts Term 4 2019

Pop Art

- Unit Outline -

Course Description: This term the students are creating artworks linking to the art movement: “Pop Art.” The Pop Art movement found common place objects of mass or popular culture to become the subject of artworks for all. The artwork of Wayne Thiebaud, Andy Warhol, Roy Lichtenstein will be the inspiration for children’s art projects.

Course Outcomes:

By the end of this unit each student should be able to:

- Develop observational skills when drawing.
- Develop skills and knowledge in the elements of design
- Develop skills in principles of design
- Develop skills in creating 2D and 3D art forms
- Appreciate and respond orally and in writing to their own work and the work of others

- *Understand the value of recording ideas visually and showing developing artworks in a Visual Diary.*

Students' art making activities will include:

- *Drawing and Painting*
- *Paper craft and collage*
- *Sculpture*
- *Print making*
- *Ceramics*
- *Sewing*
- *Collaborative and individual art making projects.*
