# Pre-Primary Fun Run

To join in with the fun of the whole school Fun Run, the Pre-Primary classes held a round robin morning of activities. We ran, hopped, jumped, skipped, gallop, balanced, crawled and climbed our way around the four stations. A lot of fun was had by all.

LAST DAY TERM 2

**Winter Uniforms** With the onset of the cooler weather school winter apparel (jumpers/jackets) can be purchased from the uniform shop on Friday mornings. Students can collect and hand in an order form at the front office. Payment plans are possible. Secondary Sports shirts are also available from the uniform shop and should be worn for all sports classes.

**Class Equipment** A number of students across the school are coming to school unprepared for class. Please ensure your child has adequate stationery for class. Please speak to your classroom teacher if you are finding it difficult at this time to supply the required equipment and alternate arrangements will be made.

**Year 10 Exams** Congratulations to the Year 10's who are currently sitting their Exams (Tuesday - English and Maths; Wednesday - HASS and Science). The students have 10 min

reading time then 80 minutes working time. This provides them an idea of the preparation and concentration required for Year 11 courses where students might sit exams or tests ranging from 90min to 3 hours.

**Year 11 Enrolments 2019**

Bullsbrook College and Yanchep College are feeder schools for Gingin DHS. Bullsbrook has already requested enrolments for Year 11, 2019. Yanchep C will be hosting a Parent Information Evening on Tuesday 19<sup>th</sup> June. Information is being provided by Yanchep C and should arrive this week, which will then be distributed to the Year 10's.

## CRTR Corner

This fortnight's expected behaviour focus is

**'Pick up your belongings before you leave an area'**. This behaviour comes under the **Zooma Care** umbrella! Taking care for your own equipment and belongings is important as students develop ownership and begin to appreciate the value of things, physically and as a learning tool. Even remembering to put your lunch box away is important. Developmentally, by the age of three, a child is more that capable of putting away toys and clearing their plate from the table. So there is no reason why we should have lunch boxes left out in the undercovered areas and files left on desks in secondary classrooms!

Don't forget to ask your child about this fortnight's fun lesson!

## Community News

### SCHOOL-AGED HEALTH SERVICES PARENT SURVEY

Help the Department of Health to improve school-aged health services

Do you have a child aged between three and 18?

Child and Adolescent Community Health and WA Country Health Service are reviewing the community health services provided to school-aged children and across Western Australia. You are invited to complete a short survey to help them understand what is important to you, what is working well and what could be made better.

For more information and to complete the survey, visit

<http://healthywa.wa.gov.au/School-health-services>.

The survey closes on Friday 8 June.
